### **"I used to think" Poem**

I used to think Saturn was small but now I know it is huge.  
I used to think Saturn was close to Earth but now I know it is very far.  
I used to think Saturn was standing still but now I know it is orbiting.  
I used to think Saturn was hot but now I know it is cold.  
I used to wonder about Saturn but now I know I want to learn even more!
